Mr. Bajpai is a distinguished Indian business leader. Most recently, he served as the Chairman of the Securities and Exchange Board of India (SEBI) and Life Insurance Corporation of India (LIC). As the SEBI Chief, he introduced measures to improve procedures for enforcing compliance to ensure market integrity and protect the interests of investors. Under his stewardship, India became one of the few countries to introduce 'Straight Through Processing' (STP) in the stock markets. It was during his tenure with SEBI that the derivatives market in India grew and developed enormously.

Mr. Bajpai has been the Chairman of Corporate Governance Task Force of International Organization of Securities Commissions (IOSCO), Insurance Institute of India, and has served on the Governing boards of Indian Institute of Management (IIM), Lucknow, and National Insurance Academy (NIA). He is also a member of Reserve Bank of India's Standing Technical Committee on Financial Regulation and the Board of Advisors of Indian Army Group Insurance Fund. He is known for his visionary leadership and exemplary integrity. His knowledge, skills and experience have seen him being a member on the board of several companies such as General Insurance Corporation of India (GIC), ICICI Bank, UTI, UTI Bank (now Axis Bank), Tata Chemicals, National Housing Bank, Discount and Finance House, etc. He has been the Non-Executive Chairman of National Stock Exchange (NSE), Stock Holding Corporation of India (SHCIL), and LIC Housing Finance Ltd.

Mr. Bajpai has received several awards for his contribution to business, the most significant being the "Outstanding Contribution to the Development of Finance" award from the Prime Minister of India, Dr. Manmohan Singh.

Mr. Bajpai's openness to share his knowledge and expertise has seen him deliver lectures at prestigious business schools including the London School of Economics (LSE), Harvard University, and Massachusetts Institute of Technology (MIT). He has also addressed gatherings at Stanford University, OECD, and IMF seminars. He has authored several books such as 'The Securities Market', 'Marketing of Insurances', and 'How to Become a Super Successful Salesman'.
